

Ready-to-Use Bed Bug Defense

Fast knockdown aerosol for spot and crack-and-crevice treatments

Bedlam® Plus is a ready-to-use, water-based aerosol featuring dual modes of action (Group 3A and 4A) that kills pyrethroid-resistant bed bugs and their eggs. Combining fast knockdown with long-lasting control, this System III® compatible aerosol is labeled for application to mattresses, wood furniture, carpet, luggage, and transportation equipment.

Features and Benefits

- Kills pyrethroid-resistant bed bugs and their eggs
- Kills bed bugs and dust mites where they hide
- Kills brown dog ticks, carpet beetles, clothes moths, dust mites and fleas
- Foaming action helps optimize surface contact
- Non-staining on water-safe surfaces when used as directed
- Provides up to 16 weeks of residual control on ceramic surfaces

Packaging

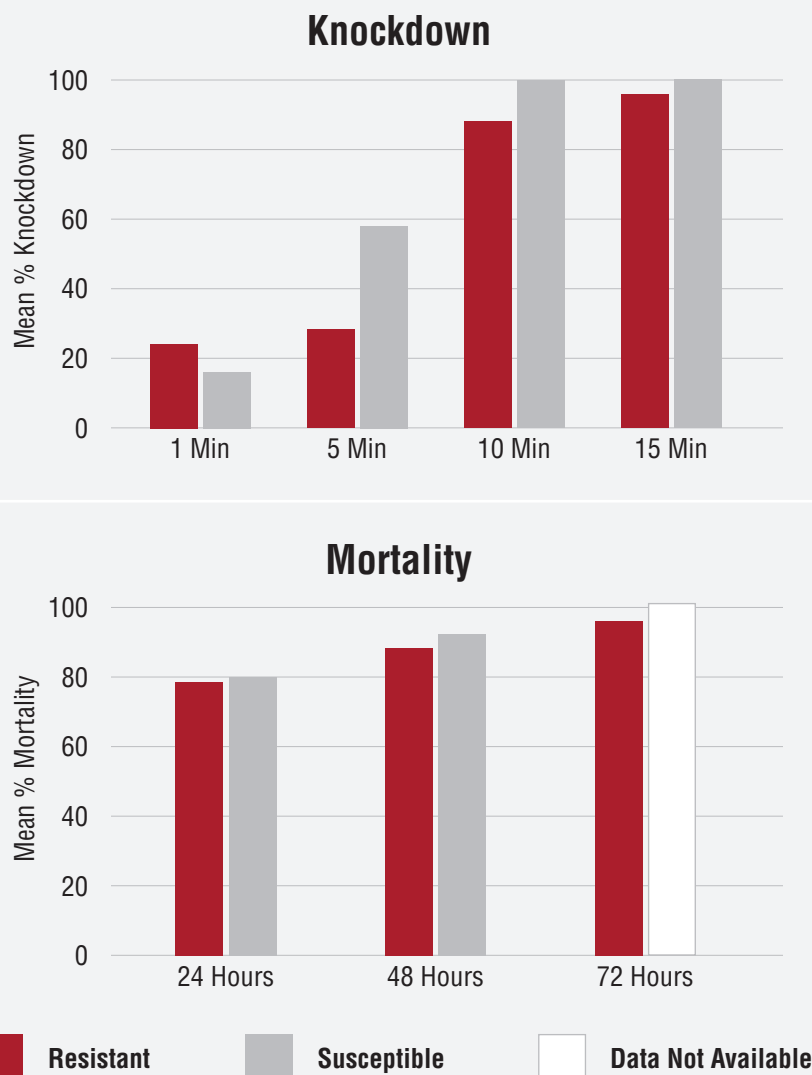

- 17 oz unit (12 per case)
