

CONQUER YOUR TOUGHEST PEST CHALLENGES

For over 100 years, MGK® has been perfecting the science of insect control. Whatever challenge you're up against, we're ready to help you fight the battle and emerge victorious.

Shockwave® 1 Flushing, Killing & Residual Aerosol is the only flushing aerosol with food-handling tolerance that flushes, leaves an adulticide with residual control and contains NyGuard® IGR. This all-in-one product offers convenience and improved cockroach control performance, wherever you need it.
