# CONQUER YOUR TOUGHEST PEST CHALLENGES

For over 100 years, MGK® has been perfecting the science of insect control. Whatever challenge you're up against, we're ready to help you fight the battle and emerge victorious.

**Sumari System** is designed to work in tandem, the powerful combination of **Sumari® Insecticide** and **Sumari® Ant Gel Bait** is formulated to provide long-lasting ant control through direct contact and ingestion. This targeted attract-and-kill approach reaches deep into the colony, delivering faster and more thorough control.
