

EVERGREEN®
Pro 60-6

Engineered to Combat Resistance

Knock Down a Broad Spectrum of Insects

EverGreen® Pro 60-6 is a multi-purpose contact insecticide containing botanically based pyrethrins (Group 3A) synergized with piperonyl butoxide (PBO) to knockdown and kill a broad spectrum of insects. This water-dilutable formulation is effective where resistance may be a concern to flush pests from harborage areas for faster control.

Features and Benefits

- Labeled for use on animals and in barns, dairies and poultry houses
- Kills over 100 listed insects including flies, mosquitoes and spiders
- Formulated with a 1:10 pyrethrins to PBO ratio to combat resistance and increase effectiveness
- No withholding time periods for use before animal processing

Packaging

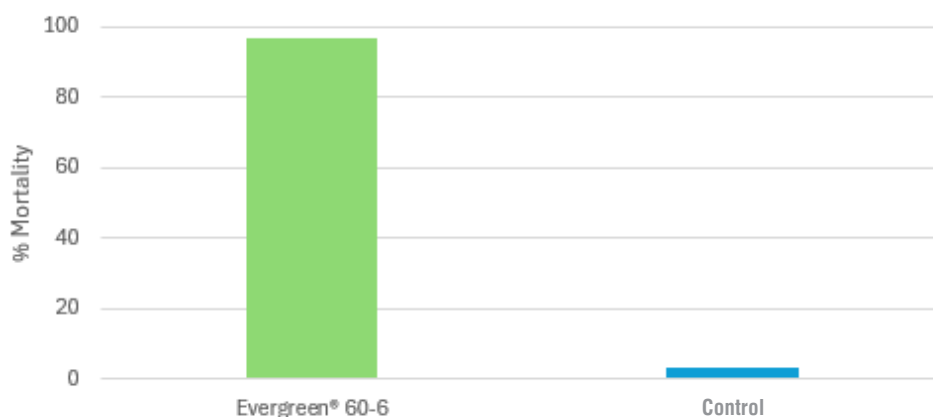

- 1 quart bottle (6 per case)
- 1 gallon bottle (1 per case)
- 55 gallon drum
