

A Smarter Way to Save on Flea & Tick Control

NyGuard® Plus Flea and Tick Spray aerosol offers a fast-acting formula with long-lasting flea control. It kills fleas, flea eggs and larvae, and ticks while helping prevent flea reinfestation for up to seven months.

This ready-to-use, no-drip aerosol also features patented odor-neutralizing technology to eliminate pet odors, including urine, leaving treated areas with a fresh, clean scent. Approved for indoor use in residential and commercial sites.
