

# Instant Savings on Complete Cockroach Control

Approved for use in both commercial and residential accounts, the Vendetta baits work around the clock to provide consistent performance over a wide range of dietary conditions. The advanced roach defense system with multiple modes of action, includes NyGuard® IGR, and does not go runny in high heat.

With the Vendetta family, you get complete cockroach control to fight every level of infestation. Use Vendetta Nitro for heavy infestations, Vendetta Plus for medium infestations and Vendetta 360 for rotation.
