

Reliable Flea Control That Lasts

Dual Modes of Action with Odor-Neutralizing Technology

NyGuard® Plus Flea and Tick Premise Spray is a fast-acting, water-based aerosol that combines two modes of action (Groups 3A and 7C) to kill fleas, ticks, and other listed pests while breaking the flea life cycle. Designed for indoor use, it provides residual control and helps prevent flea infestations for up to 7 months.

This ready-to-use aerosol is System III compatible and features an innovative, no-drip spray nozzle for consistent application. With patented odor-neutralizing technology, NyGuard Plus helps eliminate pet odors—leaving treated areas with a fresh, clean scent.

Features and Benefits

- Helps prevent flea infestations for up to 7 months for long-lasting control
- Breaks the flea life cycle to help stop reinfestation
- Will not stain water-safe surfaces for confident indoor application
- For use in residential and commercial sites
- Neutralizes pet odors, including urine

Packaging

- 17 ounce aerosol can (12 per case)
